

[Summer 2026] CSE321 Project Submission

Specifications and necessary files can be found in the link given below:

[Project Files](#)

Instructions:

- Please go through the project specification file.
- Only **ONE** person from each group must submit the project deliverables.
- Naming convention of the folder should be according to this format:
Project_Sec_<Lab Section ID>_Group_<Group ID>. Do not add any leading 0s to numbers.
Example: Project_Sec_1_Group_1
- **Naming convention should be maintained strictly. If anyone submits the file without following the instructions and naming convention, the submission will be rejected.**
- You need to submit **ONLY** the .zip file containing the necessary files mentioned in the "**Project Deliverables**" section of the specification file.
- Any sort of misconduct will be dealt strictly.
- Form will be closed after the deadline. No late submission or make-up is applicable for the assessment.
- Submissions should be done by the form only. **Submissions over email or DM will be rejected automatically.**
- **After the successful submission within the deadline you will receive a response from this form. If you do not received the response it means the submission was not completed. If anybody does not receive the response after the submission then he/she should contact the corresponding lab faculties by the deadline. After the deadline these sort of issues will be ignored.**

Deadline: August 28, 2026, 11:50 PM
